TALENT ACQUISITION CONTINUES AT HC MILLER WITH THE ADDITION OF MICHAEL VITALE, SENIOR ACCOUNT EXECUTIVE

Organizational Product Industry Veteran Supports Voice of the Customer

Green Bay, Wis., April 26, 2010...HC Miller Company, a leader in organizational product manufacturing and information distribution, today announced the addition of Michael Vitale to its' employee owned organization. As a Senior Account Executive, Vitale will be another advocate for our customers and their businesses inside and outside of HC Miller. Mike will actively support customer business development on the phone and in the field ensuring our customers have the opportunity to maximize their revenue and profit potential with HC Miller products and services.

Vitale comes to HC Miller with over nine years of organizational products experience. He spent the last five years in leadership and customer facing roles for International Filing Company and was consistently one of the companies' top customer resources. He has a solid understanding of the paper products in our industry including indexes, filebacks and folders along with a history of providing technology solutions to his customers. "Mike's passionate about serving the customer, solving business challenges and his overall industry perspective is a great fit for HC Miller" sites HC Miller's Vice President of Sales and Marketing Tim McAdow. Vitale will continue to support customers from his office in Canton, Ohio.
